MEMORANDUM FOR: Director of Logistics

SUBJECT: Enrollment of [REDACTED] in  
Clandestine Services Review Course #4, 4 April -  
22 April 1955

1. Colonel White has requested that I get in touch with you regarding his wish to have [REDACTED] enrolled in the Clandestine Services Review Course #4 for the period specified above. You will recall that until discussions with the Director of Training recently this course was to have been a requirement for all senior officials of the DD/S organization. As was explained at the Staff Meeting yesterday, a special course is being framed by the Office of Training to be entitled Special Clandestine Services Orientation Course and this offering will take the place of the Clandestine Services Review for senior officials, save for those who have returned from overseas within the past six months.

2. Colonel White feels that although you will encounter difficulty in sparing [REDACTED] at this time, it is essential that his training take place now before he has become deeply involved in matters of concern to your office. By entering the Clandestine Services Course, he will have relieved himself of any further obligation to attend the Special Clandestine Services Orientation Course which will be required of other senior officials as soon as it is ready for presentation.
